

Amami is a table lamp with both stand and diffuser in opaline polycarbonate. The extreme simplicity of the lamp's shape accentuates the plastic, sculptural nature of the light that filters through the different layers and thicknesses of the material, which in turn creates a sense of varying densities.

Features

12W

ES/E27

Colour: White

Installation: Table

Material: Polycarbonate

Environment: Indoor

Dimensions

Height: 300mm Diameter: 390mm
