

CAN-ZO-D2W-4W-SES

Superlites

This decorative, dim to warm LED filament light bulb is fitted with top, industry-rated flicker-free technology.

At 4W it provides a cost-effective equivalent to 25W incandescent lightbulb.

With 90 CRI, a colour temperature range of 2000K to 2800K and a lumen output of 250 this lamp is perfect to create welcoming and relaxing space, enhance darker colours within interior and stimulate creativity.

The traditional Candle shape is particularly popular for use in chandeliers within churches, historic and listed buildings, hotels as well as private homes.
