

This decorative, ultra-dimmable LED filament light bulb is fitted with top, industry-rated flicker-free technology.

At 6W it provides a cost-effective equivalent to 40W incandescent lightbulb.

With 95 CRI, a colour temperature of 2200k and a lumen output of 500 this lamp creates ambient lighting for rest and relaxation. Perfect for night-time dining, reading or entertaining guests, this combination is particularly popular with restaurants, hotels and private customers looking to enhance their home lighting.

The traditional shape of this GLS lamp makes it a great option for all around lighting from work to social venues and home.
