

Orient P1

Superlites

The Orient P1 pendant is a flawless light design with good luminous efficacy and made from the finest quality material. The organic mode of expression beautifully connects the deep, vibrant copper glow and the rosewood top. The rosewood's dark grain creates a natural connection with the tightly woven black textile cord. The lamp has 24 narrow, vertical slots at the top of the genuine copper shade allowing light to filter through. The fitting elegantly conceals the low energy light source and ensures a soft, pleasant light without any glare.

Polished copper with clear lacquer pendant

Copper, rosewood shade
