

Toto Mini IP67

Superlites

This product must be wired in Series, These products require an LED driver -
DO NOT CONNECT DIRECTLY TO MAINS POWER! Connecting or disconnecting these
luminaires while powered will damage the LED.

This is manufactured from 316 stainless steel and a breather gland prevents condensation. Like all fittings, the light quality and colour perfectly matches the downlights, floor wash, linear and spot ranges.

This gives seamless beauty with all the fittings working together from floor to ceiling and room to room.

2W
27K
