

TP-IS-COB-5W-BA-24K

Superlites

This COB LED tape draws 5 watts/metre. With a 2oz PCB just 8mm wide, it runs at 24V and can output up to 576 lumens p.m

Commercial Grade LED Tape

High Quality Branded LED Chip

Thick 2oz PCB board for maximum heat dispersion

High grade, long lasting resistors to stop LED chip damage

Premium white coating for protection of the PSB board and to stop short circuiting

Smooth linear effect

4.8W

2400k

432lms (per Meter)

IP20

24V

CRI90

Dimmable

384 LED's per meter

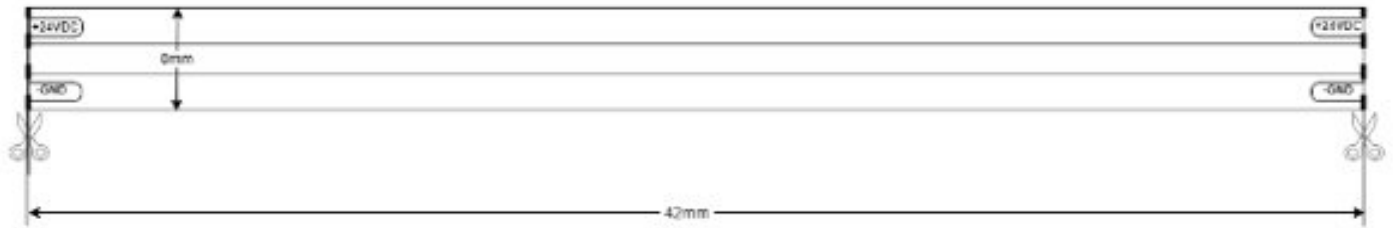

Width: 8mm

Cut Point every 42mm
