TP-IS-COB-5W-BA-27K

Superlites

This COB LED tape draws 5 watts/metre. With a 2oz PCB just 8mm wide,
it runs at 24V and can output up to 576 lumens p.m

Commercial Grade LED Tape
High Quality Branded LED Chip
Thick 2oz PCB board for maximum heat dispersion
High grade, long lasting resistors to stop LED chip damage
Premium white coating for protection of the PSB board and to stop short circuiting
Smooth linear effect

4.8W
2700k
480lms (per Meter)
IP20
24V
CRI90
Dimmable
384 LED's per meter
Width: 8mm
Cut Point every 42mm
