

TO-9455-TH

Superlites

A contemporary plaster up/down light, with a discrete 70mm front profile height. Suitable for wall mounting.

Supplied with this luminaire is a clear, frosted diffuser, designed to be fitted on at the bottom of the light, obscuring the fitting's innards, reducing glare and also softening and diffusing the light.

Linear, crisp, contemporary design

Class 2

IP20

230v-240v

Material: plaster – high density & frosted acrylic diffuser

1xTH 15W R7s

Linear LED

W: 300mm D: 140mm H: 70mm

Suitable for paint finishes / colour co-ordination after sealing with PVA□
